Personal or business relationships according to C.13 and C.14 GCGC:

In the opinion of the Supervisory Board, there are no personal or business relationships between Mrs. Hey and ADVA Optical Networking SE, its group companies, the corporate bodies of ADVA Optical Networking SE or a shareholder with a material interest in ADVA Optical Networking SE, which an objectively judging shareholder would consider decisive for his election decision. Substantially involved in this sense are such shareholders who directly or indirectly hold more than 10% of the voting shares of the Company.
