Declaration of Conformity on RoHS

ADVA Optical Networking SE, a reputable manufacturer and supplier of Ethernet + Optical networking products as well as related services and solutions, is a company duly organized under the laws of Germany having its registered office at Campus Martinsried, Fraunhoferstrasse 9a, 82152 Martinsried/Munich, Germany.

ADVA Optical Networking SE's products are developed and produced based on the company's design and technical requirements and conform to the technical specifications as indicated in the bill of materials. The quality inspection process is based on ADVA Optical Networking SE's certified ISO 9001:2015 & TL9000 R6.0 standards. The harmonized European Standard EN 50581:2012 has been used for the assessment of our products with respect to the restriction of hazardous substances.

ADVA Optical Networking SE's focus on quality management is shown in its successful renewed certifications in accordance with the renowned telecommunications quality and general environmental management practices according to ISO9001 / TL 9000 and ISO 14001 standards.

RoHS Statement

ADVA Optical Networking SE hereby declares that all products supplied to the European Community market meet the requirement of the Directive **2011/65/EU** (RoHS II) and **2015/863/EU**. All necessary measures and actions have been taken in conjunction with suppliers to ensure that constitutive materials do not include any substance forbidden by the regulations.
